A PERSONAL NOTE

Fifteen years working in an organization, and you find people along the way that make a significant impact in your growth and learning. I want to give a special thanks to two individuals that have now formally retired from our businesses; our bookkeeper Connie Brown of 44+ years, and our jack-of-all-trades Paul VanHarn of over 30 Years.

I respect the two of you so highly, for your commitment to Martha's and our family of businesses. I am deeply grateful for the two of you. You both are integral to how I have grown up in our businesses, and how many of our leaders have grown. I know that many of us here hold so much respect for both of your work and influence.

A sincere and heartfelt cheers to Connie and Paul, for your support over the years! Cheers!

Ilana

WARM THANKS

A heartfelt thank-you to all of our customers, whether you stop in every once in a while or have chosen us to be part of our daily routine. You are such a meaningful part of what makes our block special.

To our teams, our customers, and everyone who has been part of our businesses over the years, thank you for being here, for growing with us, and for making this place what it is. We truly wouldn't be the same without you. Here's to another year!

Alexandria

FOND GREETINGS

First, I want to thank our amazing customers. Some of them travel from across town to shop and visit with us. We truly appreciate your patronage and friendship. To our loyal teams, our goal is to make this more than a job that you have to go to each day. And I think that shows, with the longevity of many of our team members.

October 2026 marks 44 years of our businesses being open and this old man is still hanging on. Can't do the 12-14 hour days anymore, but I am still here every day. All of you, customers and team members, are a big part of my enjoyment for coming into work each day. Thank you.

I wish you all a Happy Holiday Season with families and friends. My prayers are that we can see that each of us has more similarities than differences, across religion, ethnicity, and race. We are more alike than different, and share common ground.

Tenuta di Arceno

SALE $34.99
REG $49.99

93 POINTS
James Suckling

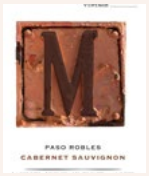

"Minerally and detailed, with wet stones, graphite, dark cherries, black currants, licorice, cocoa, and black olives on the nose. Compact and seamless on the palate, with firm tannins and a dusty texture that leaves a chalky, minerally impression. Focused and balanced. "

I love my travels to Italy. Of the great regions in this country, one experience I remember was in the hill country of Tuscany. There is a large vineyard there of some 2,500 acres called Tenuta di Arceno. Only a fraction of this large estate is worked as a vineyard, the rest is open, with olive trees or forested.

Today, the Tenuta di Arceno operation is managed by Pierre Seillan, a Frenchman from Armagnac. A perfectionist who holds a particular desire to understand microclimates of specific sites. He works closely with Michele Pezzicoli who manages the day-to-day of the vineyard. Michele is from Apulia, has an addictive smile and salt-of-the-earth personality. They discovered Bordeaux varieties work particularly well in this microclimate. The Il Fauno bottling comes from grapes located in the lower southwest section of the estate. Almost directly east of Bolgheri, it is a touch warmer here and the Bordeaux varieties like Cabernet and Merlot grow well. I've now enjoyed this vintage several times and keep opening the wine for friends. I highly recommend picking some of this up while it lasts. - Peter

CABERNET SAUVIGNON

MAC AND BILLY 2022 | M CAB

91 POINTS WINE ADVOCATE

"The 2022 Cabernet Sauvignon is a touch shy to begin before revealing red cherry, tobacco, aniseed and earth with wafts of floral perfume and mint chocolate. The full-bodied palate has a deep core of perfumed fruit framed by supple tannins and bright acidity, and it has a long, refreshing finish."

MARTHA'S NOTES

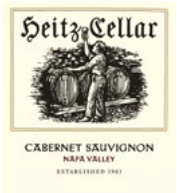

Sourced from the Paso Robles AVA, this is pure Paso Cab. A full-bodied ripe example loaded with black & blue fruit; dark chocolate-covered espresso bean and fall baking spice. Easy to drink and delicious. - Ilana

Sale $19.99 / Reg $29.99

Jay has been a valuable member of our team for over a year now. He came to us after a career in customer service that ranged from restaurants to retail and has been a wonderful addition to our team. When he's not at Martha's Jay is probably helping someone with their yard work, or enjoying fellowship with his community. Thank you Jay for all you do for our customers and our community. - Dan

HEITZ CELLAR 2021 | NAPA VALLEY

99 POINTS DECANTER

"Everything builds with precision and focus, supported by gorgeously firm, taut, mineral-rich tannins that bring energy and drive. The wine is compact and tightly wound at this youthful stage, its intensity emblematic of the vintage."

MARTHA'S NOTES We've been selling the wines from Heitz for as long as I can remember. What I like about Heitz wines is their classic approach to good honest winemaking, and their consistency. I've been a fan of their Cabernet since I met Kathy Heitz back in the 90s during my second Napa trip. The T-shirt she gave me is long gone but the memories remain. Their Napa Cabernet was good then and it's great now. - Peter

NEWTON 2019 | THE PUZZLE

96 POINTS WINE ENTHUSIAST

"Firmly structured and powerfully flavorful, this wine dominated by Cabernet Sauvignon needs time to shine. Handsome oak aromas lead to focused black currant and black cherry flavors topped with a creamy, nuanced mint and cinnamon flourish on the finish."

MARTHA'S NOTES Lush, creamy, with a delectable balance of round tannins. Newton the Puzzle Cabernet Sauvignon is evidence of what happens when you harvest the best grapes that Mother Nature has to offer. Dark fruit flavors that have strong savory notes, this wine truly has it all. - Kameel

Sale $39.99 / Reg $99.99

MICHAEL DAVID 2021 | INKBLOT

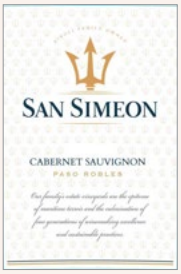

92 POINTS WINE ENTHUSIAST

"This wine is concentrated, with aromas of blackberry, dried spice, toasted oak and florals on the nose. The flavors on the palate are black strawberry, black currant and orange zest, layered with mocha, chicory, earth and a dry, silky finish."

MARTHA'S NOTES Notes of juicy blackberry, fig, and cinnamon. Flavors are layered with strawberry jam, orange zest, and mocha, while polished tannins wrap up the wine. - Kameel

Sale $19.99 / Reg $34.99

SAN SIMEON 2021 | PASO ROBLES

92 POINTS JAMES SUCKLING

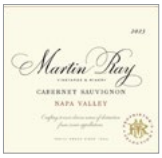

" The San Antonio Winery was started in 1992 by the Riboli Family. They launched their Cabernet under the name San Simeon, which takes its name from a dramatic stretch of California coastline where ocean fog, coastal winds, and marine-cooled vineyards helped define the brand's early identity. Today, their certified organic vineyards in the Willow Creek District produce structured reds with remarkable class and consistency.."

MARTHA'S NOTES The 2021 is 85% Cabernet Sauvignon blended with 15% Petit Verdot. The wine is loaded with black fruits, dark plum, Bing cherries, old cigar box, and ceder spice. Full bodied and ripe without being over extracted. This is a well-made wine sure to please your guests this holiday season. - Peter

MARTIN RAY 2023 | NAPA VALLEY

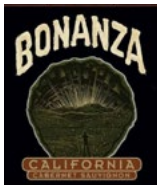

93 POINTS JAMES SUCKLING
"Wow, a fresh-tasting, well-balanced Napa Cabernet at a very affordable price. It offers raspberries, black cherries and hints of black olives, sage and cocoa on a moderately tannic texture."

MARTHA'S NOTES This wine has all the dramatics of theatre in just one sip! On the nose there are flavors of black cherry and licorice, with notes of bacon and herbs. Ending with a rich profile of milk chocolate, plum, and chalky tannins. Martin Ray is sure to please. - Dan

BONANZA LOT # 9 | CALIFORNIA

WINEMAKER NOTES
Bonanza is a California Cabernet that speaks to the simple pleasures of day-to-day life. Created by Chuck Wagner of Caymus Vineyards, this wine is delicious, accessible and enjoyable over a meal.

MARTHA'S NOTES Many of our customers call this 'baby Caymus'. It has the same jammy fruit profile the Wagners are known for but with an easier approach, lower acidity, and almost creamy finish. It has dark fruit, mocha, overripe plum, and silky tannins at a bargain of a price. - Kameel

Sale $16.99 / Reg $24.99

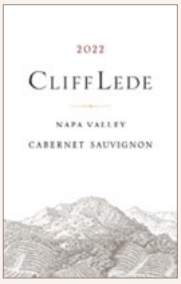

39 years and still strong! Peter has been my right hand through the tough years of starting the business and he continues through the present. Peter started working in 1986 sorting bottles in the basement and has performed every job in this store. He has been responsible for running and growing the the wine department for the last 30 years. Come on in and hear Peter's many stories about Martha's and pick his brain about the next wine you should try. Peter, truly, thank you again for all of your years, longevity, and your friendship. – Kameel

Chanda is incredibly kind and leads with intentionality. She builds relationships wherever she is, and is always greeting team members and customers as they come into the store. I am so thankful to get to work alongside Chanda as our specialty grocery buyer and have enjoyed seeing her take creative ownership over the grocery department. - Ilana

CLIFF LEDE 2022 | NAPA VALLEY

94 POINTS DECANTER
"Medium- to full-bodied, the palate features gentle, well-integrated tannins with a dark cacao character, finishing long with violets, cherry compote, and hints of tobacco and sage."

MARTHA'S NOTES A family-owned and operated winery, sourcing some fruit from Calistoga, Oakville, Rutherford, and Howell Mountain. However, most of the juice remains Stag's Leap and the grapes are all farmed organically. The 2022 Cabernet-dominated blend has dark inky fruit, and I found it smoother than the Estate Cabernet (now called 'Rhythm.') It has well integrated oak and enough acidity to make you want to go for a second glass. It's everything you want in Napa Cab. - Kameel

Morgan is the manager of our beverage department, overseeing all Dairy, Beer, and Non-Alcoholic Beverages, and he does a great job. His position in the cooler is quite difficult, working much of the day in a cooler set at 35 degrees, summer or winter. To work in a cold environment year round, and in tight confines, can be quite tough. But Morgan does a great job. Outside of Martha's, Morgan is a standup comedian, traveling all over the state to do shows. Your hard work reflects in your department. – Kameel

BUEHLER ESTATE 2022 | NAPA VALLEY

91 POINTS JAMES SUCKLING
"Dark-fruited aromas with real intensity and depth, supported by undertones of mulberry bush, earth, tobacco and dried herbs. The palate is full-bodied with a textural, rounded mouthfeel, integrated tannins, and a long, persistent finish. Not for the faint-hearted, but plenty to like."

MARTHA'S NOTES Founded in 1978 by John Buehler, a retired U.S. Army Colonel, and World War Two veteran, with his wife Helen. The vineyard can be found driving up a winding road six miles east of St. Helena. What you find is one of the 'old school' Napa Vineyards still farmed by the family as they have been doing for years. Today, the historic family-run estate produces honest wines that would please anyone. Ask me about their Estate Reserve Cabernet if you want to take it up a notch. - Peter

DISCOVER NAPA VALLEY WINES OF UNPARALLELED CONCENTRATION, COMPLEXITY, AND AGE-WORTHINESS

For over 35 years, the property high up on Atlas Peak known for producing wines under the Jayson Pahlmeyer name have found new friends all over the country. I have lost track of how many people I met over the years who told me Pahlmeyer was their favorite wine. It all started with great property, vision, incredible talent, and a few plants smuggled in from Bordeaux. Almost all the biggest names in Napa years ago were involved one way or the other in the development of this brand. It has been a fan favorite for years but if you've never tried it, it may be time!

Pahlmeyer was started by Jayson Pahlmeyer, a former trial attorney who got the wine bug and decided to try his own production. In those days he worked with farmers like John Caldwell from whom he would get his first grapes.

Pahlmeyer produced his first vintage in 1986, at that time, they made just one wine and didn't have a winemaking facility, so it was produced at Merryvale Winery. For years the production moved around producing at Napa Valleys' first custom crush facility and then at other wineries. In 2020 they permanently moved into the former William Hill Winery is where they produce to this day. - Peter

CHARDONNAY 2021 | ATLAS PEAK

98 POINTS JAMES SUCKLING

"Sliced cooked apples with biscuit and pie crust undertones, as well as hints of spices with some salted caramel. Hints of apricot. Full-bodied with a firmness and depth. Creamy-textured phenolics and great length. One of the best I have tasted. It is rich and flavorful, yet it shows great depth and length. Drinkable, but better in two or three years."

MARTHA'S NOTES The pinnacle of luxury and opulence. This 2021 Chardonnay is rich, creamy and bright. Aged in 100% new Francois Ferrer heavy toast oak barrels, it makes sense why this wine is so mouthwateringly divine. - Ilana

WINEMAKERS NOTES
Full-bodied, concentrated, and gorgeous, with a balance of full- bodied tannins and jammy, ripe black fruits, sweet currants, pepper spice, and mouthwatering deliciousness.

MARTHA'S NOTES The Venge family has been farming in Napa for over 50 years. The second generation led by Kirk Venge has surged in popularity over the last decade. His 'Scout's Honor' bottling, named after the old family dog, might be their most popular wine. A blend of 76% Zinfandel, 14% Charbono, 8% Petite Sirah, 2% Syrah. The Venge is fruit driven and spicy. MARTY MATHIS, WINEMAKER
"Deep brooding fruit aromas with purple plums and dark chocolate aromas followed by hints of loam and cocoa. Plush entry and dense mouth-filling texture. Youthful and structured but with ripe tannins that are fine grained and soft on the finish."

MARTHA'S NOTES For years, Kathryn Kennedy had a cult following for her wines in the Santa Cruz Mountains. Her son, Marty Mathis, moved north into the Napa Valley, and following in the footsteps of his mom, makes wine that is understated, balanced, and organically grown. The wine is a lookalike of a Right Bank Bordeaux; a blend of 51% Merlot and 49% Cab Franc, and made from organic vineyards in Napa Valley. A shift back to the way Napa reds were made decades ago. A classic wine that would go amazing with a ribeye, I highly recommend this! - Peter

BOOKER VINEYARD 2022 | HARVEY & HARRIET

WINEMAKER NOTES
Under the Booker labels wines were mostly sold at the winery, mailing lists, and to friends. As a tribute to Eric Booker's parents, he made this wine in Paso Robles, by putting his parents' names on the label made it personal. In a world where the big wineries put in all kinds of additives, it's nice to see a wine at this price made with care no added sugars, and nothing artificial.

MARTHA'S NOTES The 2022 vintage is just now coming into its own. The wine is dark in color, Blueberry, dried sage, ripe cherry, a little cocoa, and moderate tannins. A perfect fruit-driven everyday red, made with organic grapes since 2021. - Ilana

TRY THIS **TOURIGA NACIONAL**

TABOADELLA 2020

The Touriga Nacional grape varietal is the icon of Portuguese grape varietals. Like with any grape varietal, where the grape grows will influence its flavor profile. The Taboadella is produced in the Dao region of Portugal, which produces a Touriga Nacional that reflects its natural acidity, memories of violets, black spice, and granitic soil. This bottling of Taboadella made with Touriga Nacional offers an earthy, rugged, representation of a high altitude California Cabernet. - Ilana

DOMAINE DUPEUBLE 2024

Beaujolais Rouge is synonymous with the Gamay varietal. When comparing the Beaujolais to the Pinot Noir grape, I would classify them as long lost relatives. Genetically similar, the Pinot Noir can show as structured and earthy with prominent notes of red cherry while the Domaine Dupeuble Beaujolais boasts cranberry and pomegranate, with a finish of turned earth and a touch of violet. Similar, yet different, if you are looking to try something other than Pinot Noir this season, step into the realm of Beaujolais and try the Domaine Dupeuble. - Ilana

ALTO MONCAYO VERATON 2023

This is one of my personal favorites. For a customer that typically enjoys an unctuous red, the Veraton offers a wine just off the beaten path. Not the unctuous jammy fruit that you might typically reach for, but hey, you're trying something new, right? This wine has notes of blueberry and rose, with the essence of loamy earth. The pliant tannins balance well with its fruit-forward acidity. This is a crowd pleaser for the Zin/Shiraz lover or even a Cabernet drinker. - Ilana

ORIN SWIFT WINES

MERCURY HEAD 2022 1500 ML | NAPA VALLEY

95 POINTS WINE ADVOCATE

"Sourced largely from Stagecoach and Morisoli, the 2022 Cabernet Sauvignon Mercury Head combines floral and gently leafy nuances with bold red fruit, cherries, and redcurrants. Aged 13 months in 60% new French oak, it's full-bodied, broad and expansive, then slightly warming, long and velvety on the finish."

MARTHA'S NOTES Dropping a magnum bottle of Mercury Head on your holiday table this year sends a statement like no other. Dave Phinney did it again, an explosive, head-turning Cabernet that doesn't take prisoners. A dark rubbly glass staining Cabernet with loads of dark blue fruit, fall spices, dried current and hot asphalt leap from the glass. After 15 minutes of air, a floodgate of blackberry, chocolate-covered espresso bean, *Herbs de Provence*, and blueberry pie crust. If Caymus Cabernet was an orangutan, this would be a Silverback Gorilla. - Peter

ABSTRACT 2024 | NAPA VALLEY

95 POINTS DECANTER

"The 2024 is off-the-charts fantastic. It delivers blue-fruited richness layered with violet character and sweet brown spices. It's the freshest, most structured, and most vibrant iteration I've tasted, offering a penetrating richness that's classic Dave Phinney, yet with a sense of levity and saline acid tension that's genuinely surprising."

MARTHA'S NOTES Not just another fun label, this wine blends the aromatic grace of Grenache with the power, spice and richness of Petite Sirah. Full bodied, spicy, and well textured, this is not for the faint of heart, it's a powerful red for sure. - Ilana

SIGN OF THE TIMES 2024 | CALIFORNIA

WINEMAKER NOTES

Like a black hole, the 2024 Sign of the Times pulls you into the glass with its inky, opaque core and cardinal rim. Intense notes of ripe blackcurrant, mocha, baking chocolate, black plum and tarragon evolve as the wine continues to open. Layered and textured on the palate, alluding to the ageability of the wine, hints of more blackcurrant, black pepper and anise abound. Structured throughout the palate, the chewy tannins eventually give way to a lengthy, pleasant finish. Blend: Petite Sirah and Cabernet Sauvignon.

MARTHA'S NOTES

Orin Swift Cellars was founded by winemaker Dave Phinney in 1998, and its name combines his father's middle name, Orin, with his mother's maiden name, Swift. Sign of the Times is a 2025 California red blend built around Cabernet Sauvignon and complementary red varieties. Sign of the Times 2024 is a bold California Red anchored by rich Petite Sirah, delivering layers of dark fruit, spice, and velvety structure. Crafted with the label's signature artistry and intensity, this 14.9% ABV blend offers a captivating, full-bodied experience for the modern wine enthusiast. - Peter

PINOT NOIR

GREENWING 2024 | WILLAMETTE VALLEY

"BEST BUY" WINE ENTHUSIAST

"The light-bodied Greenwing opens up with rich, almost boozy aromas of blueberries, black cherries and a trace of caramel. The Pinot Noir, which aged for 10 months in French oak, 30% new, has an airy texture that complements soft acidity and plush tannins. This fruit-forward wine offers a mix of blackberry pastille and oak spice flavors, with a spicy red fruit note arriving toward the finish."

MARTHA'S NOTES Greenwing Winery is Duckhorn Vineyards' first attempt in producing a wine from purchased fruit from choice areas around the Willamette Valley. I am generally hard to please when it comes to Pinot, but I was pleasantly surprised by the overall quality of this multi-vineyard production. This is a wine that will not stay at this price long, get it while you can. - Peter

KEN WRIGHT CELLARS 2024 | SHEA VINEYARD

94 POINTS JEB DUNNUCK

" A jeweled ruby red color, the 2024 Pinot Noir Shea Vineyard has a bit more opulence and polish without ever feeling overdone. Notes of polished cedar, ripe cherry, pressed flowers, and wet stones lead into a medium-bodied palate with ripe tannins, richness without weight, and a touch more immediacy than the other wines."

MARTHA'S NOTES The large vineyard owned by Dick Shea in the Yamhill-Carlton AVA has long been viewed as a 'Grand Cru.' Although many vintners pull fruit out of this field, Ken was one of the early buyers here. As a result, he gets some of the best parcels of this already great vineyard and it clearly reflects in the quality each year. - Peter

ROMBAUER 2023 | SANTA LUCIA HIGHLANDS

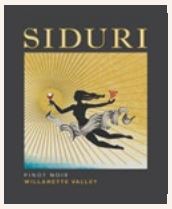

92 POINTS VINOUS

" The 2023 Pinot Noir is a good bit lighter and brighter than last year, unsurprising given the conditions of its long, cool growing season. Layers of rose petal, sweet black cherry, asphalt, crushed rocks and blood orange unfurl in a nicely focused, elegant wine with sweet tannins and a sexy finish. "

MARTHA'S NOTES If you think Rombauer makes good Chardonnay, you will love their Pinot Noir! Sourced from the Santa Lucia Highlands this Pinot offers nicely balanced fruit, earthiness, and acidity. - Ilana

SIDURI 2024 | WILLAMETTE VALLEY

92 POINTS WINE ENTHUSIAST

" Earthy notes of blackberry tea and marjoram are flanked by savory notes, similar to meat grilling over open coals. Thanks to a combination of lively acidity, fine-grained tannins and a juicy mouthfeel, these Damson plum, anise and sage flavors feel like they are surfing a wave, cowabunga-style. I would like to match this wine with a nice bowl of mushroom soup. "

MARTHA'S NOTES Although this is an entry-level example, this is what Willamette Valley Pinot Noir is all about. Red floral and hints of earthiness in the noise, with spice, cola, slightly darker profile than what you find in the Russian River. Very clean, easy, and delicious. - Peter

Sale $19.99/ Reg $32.99

HARTFORD COURT 2022 | LAND'S EDGE VINEYARD

94 POINTS JEB DUNNUCK

" In the glass, it displays a medium ruby color and offers expressive notes of red berries, cranberries, and juniper. There's a good bit of reduction initially that benefits a little air at this stage, but it starts to reveal darker notes as it opens. The palate has a wonderful, compact feel, with a refreshing lift, fine tannins, and a snappy finish. Enjoy the bright and coiled energy that comes through in this one."

MARTHA'S NOTES Founded in 1994 by Don and Jennifer Hartford, the vineyard lies just 15 minutes from the Pacific coast and surrounded the giant redwoods. This is a family affair, and they specialize in Chardonnay and Pinot. Less than 3000 cases were made of this classic Pinot Noir. Absolutely delicious with roasted duck or grilled salmon. - Peter

MARTHA'S NOTES The wines from Te Muna Road Vineyard in Martinborough do not taste quite like what you get on the South Island. SHIRLEY GAUCHER 2024 | LES DEUX RANGS

The mature vines come from a 15-hectare plot on the left bank of the Loire River where the flint-rich silex soils which give Sancerre its flavor is found. Brought up in stainless steel tanks for eight months to preserve natural freshness, keen acidity, and fruit purity.

MARTHA'S NOTES A classic Sancerre Blanc from the Loire Valley, made from 100% Sauvignon Blanc and quite refreshing. I found aromas of ripe pomelo, lime peel, kiwi, and early mandarins. "Still tightly-wound, but with stunning elegance on the concentrated, medium-bodied palate, which has fabulous yellow peach aromas and refined chalkiness. Then comes the extraordinary freshness in the dynamic yet refined finish."

MARTHA'S NOTES 'ZH' as we in the trade like to call it holds an almost mythical position within the great wines of the world. Certified organic and biodynamic, the family has been involved in grape growing and wine making since 1620. This totally dry Riesling is incredible - Peter

CHAMPALOU 2025 | VOUVRAY

DUSTIN SOISETH, KERMIT LYNCH WINES
"This is one of those wines that if you popped the cork and poured yourself a glass while cooking, there's a pretty good chance it would be mostly gone by the time dinner was ready. It goes down so effortlessly because of the exquisite purity that Champalou's Vouvrays possess."

MARTHA'S NOTES Champalou is a family run vineyard, where their daughter Celine has been running the show since 2006. Their wines are organic and Haute Valeur Environnementale certified. Vouvrey is 100% Chenin Blanc, and the Champalou shows characteristics of stony minerality, bright fruit, and notes of white flower. - Ilana

Sale $24.99 / Reg $36.99

CARILLON 2023 | PULIGNY-MONTRACHET

91 POINTS BURGHOUND
"A deft but not imperceptible application of wood surrounds the ripe and vaguely exotic aromas of white peach, poached pear and pretty acacia wisps. Here too the mouthfeel of the medium-bodied flavors is plush, round and generous, indeed almost thick, while exhibiting solid length on the sappy finish where a touch of warmth eventually surfaces. Note that this could easily be enjoyed young. "

MARTHA'S NOTES The Carillon family domaine dates back to the 16th century in Burgundy. In 2010, Francois started running his own estate. His holdings include almost 20 acres of vineyards, mostly found in Puligny-Montrachet. His style is genuine and clean with great work in the soils. This is exactly what Puligny-Montrachet should taste like. - Peter

FRENCH REDS

DOMAINE DE FONTSAINTE 2022 | CORBIERES

WINEMAKER NOTES
The "Demoiselle" cuvée from Domaine de Fontsainte is produced from 100-year-old Carignan and Grenache vines in the southernmost reaches of France, full of character, soul, and deliciousness. Succulent and beautifully balanced, it evokes dark fruit, leather, and spice and would pair perfectly with pretty much anything right off the grill.

MARTHA'S NOTES A Martha's exclusive in this area; we have been buying this reserve level for years. This is such classic southern French wine and perfect for when the leaves turn and the snow shows. A great earthy expression retaining all its character and fruit. - Peter

Sale $18.99 / Reg $24.99

VIEUX TÉLÉGRAPHE 2023 | TÉLÉGRAMME

93 POINTS WINE SPECTATOR
."A lovely, seductive version, with full ripeness yet balanced restraint to the round, warm notes of red licorice and cherry, flecked with lavender and vanilla bean. A stream of graphite matches the ripeness, making for a perfumed, incense-driven, tangy finish, with dried herbs, turmeric and earth. Grenache, Syrah, Mourvèdre and Cinsault."

MARTHA'S NOTES One cannot think of Châteauneuf-du-Pape without thinking of Domaine du Vieux Télégraphe. The Brunier family is legendary in its own right, having been rooted to the plateau known as La Crau for over a century. The wines of Vieux Télégraphe evoke terroir in its purest form. – Ilana

CHATEAU DE TRINQUEVEDEL 2025 | TAVEL ROSÉ

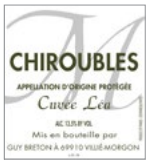

WINEMAKER NOTES
Aromatic, complex, slight orange blossom aromas, generous blackcurrant aromas, generous strawberry aromas, generous raspberry aromas, slight aniseed aromas, slight guarrigue aromas, slight gunflint aromas.

MARTHA'S NOTES From the southern Rhône, this is the only wine region on our planet devoted solely to Rose production. Trinquevedel is strikingly darker and has an almost full-bodied presence; dry and commanding. Flavors of crushed strawberries, Fall baking herbs, red currant, with a good tannic structure. Trinquevedel is a food wine and can hold up to a Burger and truffle fries. - Peter

Sale $19.99 / Reg $25.99

GUY BRETON 2023 | CUVEE LÉA CHIROUBLES

WINEMAKER NOTES
The crunchy, lip-smacking berry fruit of this beauty is simply delicious, as all proper Beaujolais should be, and there is intellectual interest to boot!

MARTHA'S NOTES Possibly my favorite of the Beaujolais Crus. This 2023 vintage of Cuvee Léa produced by Guy Breton has exceptional grace and lower alchol levels. Guy is one of a small group of vignerons that produces their wines *biologique et fait à la main* (made by hand organically). Cuvee Léa is light in the mouth but loaded with red fruits that remind me of tart cherries and rhubarb pie; tons of character and still retains the high-pitched acidity. This Gamay would charm even the most pretentious wine geek. - Peter

Sale $32.99 / Reg $49.99

DOMAINE TEMPIER 2023 | LULU & LUCIEN

94 POINTS JEB DUNNUCK
."The Lulu et Lucien cuvée is, for me, the finest gateway into the wines of Domaine Tempier, as it synthesizes the appellation, and this 2023 Bandol Lulu et Lucien is a wine of serious, ample body built on round and suave tannins. Aromas of blackberry, fresh olives, and thyme greet you, with fine concentration and great finesse. It is ready to cross the next ten years without concern."

MARTHA'S NOTES Arguably the greatest estate in Bandol. Lulu's father gave them the old vineyard when she and Lucien were married back in 1936. By the time I met Lulu, she was already quite old but I still remember her sweet smile as she talked about her estate. Of all the French wine we sell, this is one I've been recommending for years. - Peter

DOMAINE LAFAGE 2023 | NARASSA

92 POINTS JAMES SUCKLING
"Structured and profound, showing dark plums, blackberries, cocoa and baking spices. Full-bodied with creamy texture and tannins. Polished and well-built, with a dense, persistent finish. Drink or hold. "

MARTHA'S NOTES Finally! After at least a year of trouble acquiring this wine, it is back - although limited. A beast of a wine coming from the Cotes Catalanes region of the Roussillon. Made mostly from Grenache, you get blackberry, crushed herbs, hot asphalt, earth, and peppery finish. Big and bold, perfect for a cold evening. - Peter

CHATEAU FLEUR CARDINALE 2022 | SAINT-EMILION

96 POINTS JEB DUNNUCK

" The 2022 Château Fleur Cardinale is a blend of 78% Merlot, 16% Cabernet Franc, and 6% Cabernet Sauvignon, vinified with a cold pre-fermentation maceration. It's a full-bodied, layered Saint-Émilion showing dark berries, graphite, crushed stone, and truffly, earth-like nuances on the nose. This ripe yet flawlessly balanced Saint-Émilion has moderate acidity, silky tannins, and a seamless, polished texture. Slightly modern in style, it's nevertheless lush, opulent, and utterly compelling, displaying both depth and finesse."

MARTHA'S NOTES Another fine example from the Fleur Cardinale Estate. This wine is one of my "go get that" Bordeauxs. Dark red fruit and a concentrated mouthfeel are in the forefront of this elegant mineral-laced Bordeaux. - Peter

Sale $65.99 / Reg $89.99

CHATEAU DUCASSE 2025 | BORDEAUX BLANC

KERMIT LYNCH WINE MERCHANT

"I think the secret to Chateau Ducasse's perennially popular, tantalizing white is the healthy amount of Sémillon. It makes up about 70% of the final blend and is wonderfully complemented by the Sauvignon Blanc."

MARTHA'S NOTES When you taste hundreds of wines each year, there are very few you're excited enough to buy a case of. This would be the exception. 70% Sémillon with the balance Sauvignon Blanc. This Bordeaux Blanc is bone-dry, round, full of tropical fruit, aromatic, and generously juicy in the mouth. The acidity keeps you coming back for more. Quite tasty. - Peter

Sale $18.99 / Reg $24.99

CHATEAU BEAUMONT 2023 | HAUT-MEDOC

90 POINTS DECANTER

"Clear and pure, a lovely clean juiciness though the lightness in terms of fruit density doesn't quite match the tannins, which although are fine are quite present and dense with touches of liquorice, clove, cinnamon and dark chocolate that dominate and make this quite serious. It doesn't feel overworked, but it's still a bit compact and spiced with clear power underneath, although there is refinement overall. "

MARTHA'S NOTES Dating back to 1772 when Henri Labarthe first cleared the land to make way for vines. It went through a series of owners carving a path and reputation. Located on the left bank of the Gironde estuary, between the communes of Margaux and Saint-Julien, the soil is gravel and perfect for Cabernet. Drinking well now with an hour of air, it will age gracefully for another decade. - Peter

Sale $29.99 / Reg $34.99

CHATEAU MARJOSSE 2022 | BORDEAUX

91 POINTS ANTONIO GALLONI

"Floral notes, orange peel, mint and white pepper lend notable energy throughout. Readers will find an atypically vibrant wine for the year. More than anything else, the 2022 represents a pretty significant shift for Marjosse toward a style that focuses on greater freshness than in the past."

MARTHA'S NOTES Pierre Lurton spends his days running Cheval Blanc and Yquem; two of the world's greatest vineyards. In addition, Luton started a personal vineyard project at his home, Chateau Marjosse, where this wine was produced. Choosing this spot because of its great soils and location without paying the cost of the farms further north in St Emillion. Farming sustainable Merlot on a clay-limestone bed, his wines have been getting better each year. - Ilana

Sale $14.99 / Reg $22.99

CHATEAU PEDESCLAUX 2022 | PAUILLAC

97 POINTS JAMES SUCKLING

"Focused and tannin-driven with lovely integration and intensity. A blend of 68% Cabernet Sauvignon, 22% Merlot, 7% Cabernet Franc and 3% Petit Verdot. Give this three to four years to soften, but I'm impressed with the energy here already."

MARTHA'S NOTES Well made, with great structure. This wine seems to slip through people's radar. Pedesclaux is an organically produced, classified 5th Growth Bordeaux; that is sure to please. Not too heavy, not to light... Pedesclaux is just right! - Peter

CHATEAU MALESCASSE 2019 | HAUT-MEDOC

93 POINTS WINE ENTHUSIAST

" From a deep gravel outcrop in the heart of the Haut-Médoc, this wine offers richness and density. Black fruits show freshness while also melding well with the spicy wood aging. The wine is worth aging. Drink from 2026."

MARTHA'S NOTES Here is a very correct example of Haut-Medoc. Decidedly on the black fruit side of the spectrum, has plenty of tobacco, cooking spices, and old oak. Drinking well now, it would make a great "everyday house red." - Peter

Sale $29.99 / Reg $39.99

CHATEAU RIPEAU 2022 | SAINT-EMILION

97 POINTS JEB DUNNUCK

"Rocking levels of ripe black and blue fruits, spring flowers, violets, and blood orange all emerge from the 2022 Château Ripeau, a blend of 65% Merlot, 30% Cabernet Franc, and the rest Cabernet Sauvignon, aged all in new barrels. It's deep purple-hued and has medium to full-bodied richness, a round, layered mouthfeel, integrated acidity, and sweet tannins. A gorgeous effort, it already offers pleasure but will benefit from 4-5 years of bottle age and keep for two decades."

MARTHA'S NOTES This dynamic read is ready to be consumed now, or bought as a bottle to age. Vibrancy in its youth showing a stewed richness and layered mouthfeel. In its prime, I can only imagine how the sweet tannins will develop. Buy two instead of one! Enjoy one now and set one aside for later. - Ilana

WINEMAKER NOTES

"Sustainability is at the heart of everything we do. Certified for our environmental performance and CSR approach, we cultivate our vineyard responsibly — protecting biodiversity, reducing our footprint, and preserving the natural richness of our Médoc terroir for future generations."

MARTHA'S NOTES Fresh vibrant fruit and firm tannins are the supporting features of this delicious wine. While structured, the wine offers layers of flavor, from vivid fruit at the start, to the emergence of black spice on the back palate, leaving you with a generous texture on the finish. Pair with rich foods like duck, raclette, and gratin potatoes with gruyere. - Ilana

ITALY

SILVIO NARDI 2020 | BRUNELLO DI MONTALCINO

94 POINTS WINE ENTHUSIAST

"On the nose, aromas of black cherry, vanilla and coffee emerge from the glass first, followed by fresh potting soil, crushed rocks and herbs. Cherries and berries star on the palate, while notes of dark chocolate and coffee make themselves known in the background for balance. Chalky tannins and a pop of acid sit on the tip of your tongue."

MARTHA'S NOTES This is what Sangiovese should taste like. A full, rich style of Brunello, red fruits and spice up front, tart cherry, old cigar box, elderberries, and a powerful tannic grip. Let this one open a few hours beforehand, but it's perfect for lasagna or a lamb dish. - Kameel

Sale $74.99 / Reg $89.99

PAITIN 2019 | BARBARESCO SERRABOELLA

94 POINTS WINE ADVOCATE

"The Paitin 2019 Barbaresco Serraboella reaches a perfect pitch between fruit ripeness and acidity. This exacting balance is a hallmark of the vintage. The house style, on the other hand, is focused on elegance, so you really get quite a beautiful drinking experience with this bottle. Red and purple fruits segue to wild rose and red licorice. Best After 2024."

MARTHA'S NOTES One of the clear standout producers in Barbaresco, Paitin started in 1796 and is still owned by the Pasquero-Elia family. Serraboella is the most famous cru in the Southern Neive area of Piedmont. The vines are brought up like children, and they only use an organic farm approach. Their source is on the steepest and the warmest plots, and although elegant in texture, it has a fuller fruit profile. The 2019 (much like the 2021 I have coming) is a terrific vintage. Dark cherries, baking spice, cedar, and a touch of white pepper; this wine is an absolute delight. - Peter

"This is one of the best value Italian red on the market. Medium to full body with dried cherry, milk chocolate and light chili aromas and flavors. Long and delicious. Caressing mouthfeel. Bright acidity. A blend of Sangiovese, Merlot and Cabernet Sauvignon."

MARTHA'S NOTES Monte Antico means aged mountain in Italian, giving light to the terroir of the vineyard where these grapes are grown. This is a true Tuscan classic, with its profile of licorice and deep purple plum, and notes of vanilla and violette. The tannins are well integrated into its silky soft texture, offering structure and finesse. - Ilana

91 POINTS WINE ENTHUSIAST
"The palate lifts with tart notes of passion fruit and lemon peel, with a texture that has layers upon layers to explore. Crushed chalky notes define the lengthy and elegant finish."

MARTHA'S NOTES Made from the grape variety Trebbiano di Lugana, the 2023 vintage is loaded with tropical fruits, white peach, dried apricot, and a hint of minerality. Perfect with salads, light fish, and all kinds of delightful cuisine. Le Creete is the perfect wine to grab for the weekend, but when it's on sale, it's also a great bottle to stock up on because the bright acidity shines all year long. - Peter

MASO CANALI 2024 | PINOT GRIGIO

WINEMAKER NOTES
Fabrizio selects a small lot of riper, late-harvest grapes and dries them on racks for eight to ten weeks. These grapes are then fermented and blended into the wine, imparting extraordinary depth. Before bottling, our Pinot Grigio is aged on its fine lees for one month to create a richer mouthfeel. This attention to detail gives Maso Canali a luxurious texture that is simply unparalleled.

MARTHA'S NOTES Maso Canali has a delicate minerality. A gentle balance between subtle savory notes and floral overtones. Has all the right kinds of tension. - Peter

OTTELLA CAMPOSIRESO 2021 | CAMPOSIRESO

WINEMAKER NOTES
An intense ruby red colour with garnet highlights. Mature and elegant, the nose offers up great aromatic richness, with small red berries, spices and overtones of sweet tannins. The caressing, soft palate is well-balanced and expressive.

MARTHA'S NOTES In the glass, this wine shows off its intense ruby coloring and an aromatic bouquet of red berries and baking spice. Supple tannins meld into an expressive sweetness that melds this wine into a perfect sip. Enjoy the Camposierso with charcuterie from Martha's. - Ilana

ALTO MONCAYO 2022 | GARNACHA

92 POINTS WINE SPECTATOR

"Offers a sappy richness, with concentrated flavors of blackberry coulis and plum sauce well-seasoned with crushed rosemary and lavender, smoked paprika, fennel seed and toasty smoke aromatics. This is rich but sleek and finely knit, integrating sculpted, fine-grained tannins and bright, blood orange–infused acidity. Spiced finish. Drink now through 2037."

MARTHA'S NOTES Alto Moncayo Garnacha is a flagship 100% Grenache from Bodegas Alto Moncayo in the Campo de Borja. Glass-staining, inky and a powerful nose leads to an overwhelming sensation of black and purple fruits, fig, black olive, nutmeg, orange rind, oak, and baking spice. I would let this sit open for at least a couple of hours before consuming. - Peter

BLUEGRAY 2022 | PRIORAT RED BLEND

WINEMAKER NOTES

"Hailing from Priorat and made from 40% Garnacha (Grenache), 30% Cariñena (Carignan), 20% Syrah and 10% Merlot. Matured for 6 months in new French oak. The vineyard is planted on high-altitude terraces of blue slate and quartz soils known as llicorella. Very inhospitable location between pine and olive trees. Everything here is done by hand.

MARTHA'S NOTES This Priorat is a beautiful blend of Cabernet Sauvignon, Garnacha, and Mazuelo. A fantastic representation of the quality that the Gil Family stands behind. Enjoy this wine alongside your favorite Spanish tapas and grilled meats. - Ilana

Sale $19.99 / Reg $24.99

RAMIREZ PISCINA 2021 | CRIANZA

96 POINTS DECANTER

"Sourced from small, non-irrigated vineyard parcels at 500m-580m in San Vicente de la Sonsierra and Abalos (Rioja Alta). The Destemmed fruit is fermented then transferred to a concrete tank for malolactic, then racked into used French and American oak barrels to mature for 14 months. Full of appealing blueberry and gentle spice supported by smooth, velvety tannins, it's an elegant wine with real poise that still offers satisfying concentration."

MARTHA'S NOTES The 2021 Ramirez Piscina Rioja Crianza is 100% Tempranillo. This sustainable and dry-farmed wine is harvested and handled by hand through the entire winemaking process. 14 months in American and French oak barrels adds a roundness to the wine making the oak and dark fruit well integrated. - Ilana

VIZCARRA BLANCO 2023 | ALEJANDRA

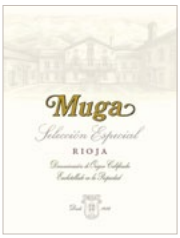

WINEMAKER NOTES

This wine pairs well with roasted poultry, grilled seafood, and dishes featuring mushrooms or root vegetables. Its subtle nutty and mineral profile also complements creamy preparations, including risotto or lightly aged cheeses.

MARTHA'S NOTES This estate-bottled wine is made primarily from the rare grape, Albillo Mayor. Grown among old red-vine vineyards in the Ribera del Duero, it has a distinct similarity to White Burgundy with its texture and minerality. Produced by Alejandra Vizcarra who is one of just a few genuine pioneer *'garagistes'* (small production winemaking) in the Ribera del Duero. There are less than 200 cases made of this wine, and just a small fraction of that made it to the US. A wine that should be decanted or left for a few years in the cellar. A great find. - Peter

BODEGAS MUGA SELECCION 2020 | RIOJA

95 POINTS JEB DUNNUCK

"The 2020 Muga Selección Especial checks in as 70% Tempranillo, 20% Garnacha, and the rest Graciano and Mazuelo that's aged six months in new French barrique, followed by two full years in older French and American (70/30) oak barriques. Rocking levels of cassis and black raspberry-like fruit as well as graphite, spicy wood, violets, and lead pencil notes all shine on the nose, and it hits the palate with medium to full-bodied richness, a round, layered mouthfeel, and silky tannins. It's already hard to resist."

MARTHA'S NOTES One of my favorite wineries in the Rioja region is certainly Muga. An estate in the Rioja capital of Haro, the wines have been produced and operated by the same family for almost 100 years. They have an incredible drive for excellence which would explain their consistent quality, particularly with their Selection Especial. Full-bodied, with loads of black cherry, cocoa, vanilla, and baking spice. Just delicious! - Peter

NUMANTHIA 2022 | TERMES

92 POINTS WINE SPECTATOR
"A well-knit red, with a lovely range of plum sauce and black raspberry, licorice, cocoa powder and bay leaf notes structured by limber, fine-grained tannins. Harmonious, with a spiced finish. Drink now through 2037. "

MARTHA'S NOTES One of the more uninhabitable wine regions. Stretching for miles along the southern bank of the Douro River, the sun-drenched high elevation desert boasts old gnarly vines the size of tree trunks. The region plants Tinta de Toro grapes which are a thick-skinned clonal variation of Tempranillo. The grape growing here dates far back before the founding of the country. - Peter

HONORO VERA 2024 | GARNACHA

WINEMAKER NOTES
Honoro Vera wines are produced at Gil Family Estates wineries in 4 appellations in Spain: Jumilla, Calatayud, Rueda, and Rioja. In each region, the goal is to showcase the character of the native varietals. These wines are made from high-quality grapes, planted at high altitudes, giving them complexity and balance that overdelivers for the price.

MARTHA'S NOTES The Gil Family oversees properties all over Spain. Made from 100% Garnacha, the Honoro Vera is medium to full-bodied, fresh and very fruit-driven. Flavors of overripe back cherries, anise, baking spice, and a touch of minerality, make this a very smooth, value-driven red that is easy to drink. - Kameel

I know that it is not always easy to work with your daughters. We don't fall far from the tree in our stubbornness. With that challenge comes significant beauty, in being able to learn from our failures and successes. Dad, thank you for pushing us, and the teams around you. You don't only hold high expectations for your children, but everyone around you. It can be challenging. However, the standards that you set push us all to be better. Love you - Ilana.

It brings me so much joy to be able to work with both of my daughters. Ilana plays a huge role in all aspects of the store, from buying, to HR, to where we are going in the future. Sometimes I think of what the shop would be if Ilana did not join the team. The only groceries we would have would be Kraft Mac 'n Cheese and Chef Boyardee. She has transformed the grocery and deli departments, over the last 10 years. Thank you, Ilana. Love you, Dad.
